The State Department of Toxic Substances Control (Department) and Mr. Larry Bashor doing business as Larry Bashor Sandblasting (Respondent) enter into this Consent Order and agree as follows:

1. Respondent generates hazardous waste at 6949 Superior Road, Bakersfield, California 93314-9755 (Site) in Kern County. Respondent's new EPA ID number for the Site is CAL000281037.

2. The Department inspected the Site on December 5, 2002 and January 14, 2003.

3. The Department alleges the following violations:

3.1. The Respondent violated Health and Safety Code, section 25201 in that on or about December 5, 2002 and January 14, 2003, Respondent stored hazardous waste for more than 90 days without holding a hazardous waste facility permit or other grant of authorization from the Department to use and operate the facility. Respondent stated that

the 500-gallon tank and the two nearby 55-gallon drums all holding waste oil, had been stored at the Site for about a year.

3.2. The Respondent violated California Code of Regulations; title 22, section 66262.11 in that on or about December 5, 2002 and January 14, 2003, Respondent failed to determine if the waste stored in five 55-gallon closed and unlabeled containers was hazardous. At the time of inspection, Respondent could not identify the contents of these five 55-gallon containers, located on the south side of Site, but said they were “either waste oil or paint waste”.

3.3. The Respondent violated California Code of Regulations, title 22, section 66262.12 in that on or about December 5, 2002 and January 14, 2003, Respondent failed to obtain an EPA Identification Number before generating or storing hazardous waste at the Site.

3.4. The Respondent violated California Code of Regulations, title 22, section 66262.34 in that on or about December 5, 2002 and January 14, 2003 Respondent failed to label seven 55-gallon containers of hazardous waste and one 500-gallon tank of waste oil with accumulation start dates and waste description as required.

4. The parties wish to avoid the expense of litigation and to ensure prompt compliance.

5. Jurisdiction exists pursuant to Health and Safety Code section 25187.

6. Respondent waives any right to a hearing in this matter.

7. This Consent Order shall constitute full settlement of the violations alleged above, but does not limit the Department from taking appropriate enforcement action concerning other violations.

8. Respondent does not admit the violations alleged, above except as follows: Respondent admits the facts alleged above for the purposes of any subsequent action brought pursuant to the Hazardous Waste Control Law, Health and Safety Code section 25100 et seq., within 5 years of the date the violation occurred.

SCHEDULE FOR COMPLIANCE

9. Respondent shall comply with the following:

9.1. Effective immediately, Respondent shall not store hazardous waste [for more than ninety (90) days] without having a permit or other grant of authorization pursuant to Section 25201 of the Health and Safety Code. Within thirty (30) days of the effective date of this Consent Order, Respondent shall provide written documentation to the Department that all seven 55-gallon containers identified in Section 3.1 and 3.2 have been lawfully transported offsite to a facility authorized by the Department to treat, store, or dispose of hazardous waste.

9.2. Within thirty (30) days of the effective date of this Consent Order Respondent shall submit his signed Certification of Compliance stating that the violations stated in Section 3.1, 3.2, 3.3 and 3.4 have been corrected. The Certification of Compliance shall satisfy the requirements of the California Code of Regulations title 22, section 66270.11(d). (Attachment A)

9.3. California Compliance School: Respondent shall successfully complete the following modules at California Compliance School (CCS):

Module I = Hazardous Waste Identification and Overview

Module II = Onsite Management Requirements (Tanks and Containers)

Module III = Preparedness, Prevention and Training

Module IV = Transportation (with California Manifest and LDRs)

Respondent shall attend, successfully complete all four (4) modules, and submit a legible copy of his Certificate of Satisfactory Completion from the California Compliance School to the Department within three hundred sixty-five (365) days of the effective date of this Consent Order.

9.4. Submittals: All submittals from Respondent pursuant to this Consent

Order shall be sent simultaneously to:

Astrid L. Brown, Unit Chief
Statewide Compliance Division
Department of Toxic Substances Control
1515 Tollhouse Road
Clovis, California 93611

Charlene Williams, Chief
Northern California Branch
Statewide Compliance Division
700 Heinz Avenue, Suite 200
Berkeley, California 94710

Joe Cañas, Hazardous Materials Program Manager
Kern County Environmental Health
2700 M Street, Suite 300
Bakersfield, California 93301

9.5. Communications: All approvals and decisions of the Department made regarding such submittals and notifications shall be communicated to Respondent in writing by a Branch Chief, Department of Toxic Substances Control, or his/her designee. No informal advice, guidance, suggestions, or comments by the Department regarding reports, plans, specifications, schedules, or any other writings by Respondent shall be construed to relieve Respondent of its obligation to obtain such formal approvals as may be required.

9.6. Department Review and Approval: If the Department determines that any report, plan, schedule, or other document submitted for approval pursuant to this Consent Order fails to comply with the Order or fails to protect public health or safety or the environment, the Department may return the document to Respondent with recommended changes and a date by which Respondent must submit to the Department a revised document incorporating the recommended changes.

9.7. Compliance with Applicable Laws: Respondent shall carry out this Order in compliance with all local, State, and federal requirements, including but not limited to requirements to obtain permits and to assure worker safety.

9.8. Endangerment during Implementation: In the event that the Department determines that any circumstances or activity (whether or not pursued in compliance with this Consent Order) are creating an imminent or substantial endangerment to the health or welfare of people on the site or in the surrounding area or to the environment, the Department may order Respondent to stop further implementation for such period of time as needed to abate the endangerment. Any deadline in this Consent Order directly affected by a Stop Work Order under this section shall be extended for the term of such Stop Work Order.

9.9. Liability: Nothing in this Consent Order shall constitute or be construed as a satisfaction or release from liability for any conditions or claims arising as a result of past, current, or future operations of Respondent, except as provided in this Consent Order. Notwithstanding compliance with the terms of this Consent Order, Respondent may be required to take further actions as are necessary to protect public health or welfare or the environment.

9.10. Site Access: Access to the Site shall be provided at all reasonable times to employees, contractors, and consultants of the Department, and any agency having jurisdiction. Nothing in this Consent Order is intended to limit in any way the right of entry or inspection that any agency may otherwise have by operation of any law. The Department and its authorized representatives may enter and move freely about all property at the Site at all reasonable times for purposes including but not limited to: inspecting records, operating logs, and contracts relating to the Site; reviewing the progress of Respondent in carrying out the terms of this Consent Order; and conducting such tests as the Department may deem necessary. Respondent shall permit such persons to inspect and copy all records, documents, and other writings, including all

sampling and monitoring data, in any way pertaining to work undertaken pursuant to this Consent Order.

9.11. Sampling, Data, and Document Availability: Respondent shall permit the Department and its authorized representatives to inspect and copy all sampling, testing, monitoring, and other data generated by Respondent or on Respondent's behalf in any way pertaining to work undertaken pursuant to this Consent Order. Respondent shall allow the Department and its authorized representatives to take duplicates of any samples collected by Respondent pursuant to this Consent Order. Respondent shall maintain a central depository of the data, reports, and other documents prepared pursuant to this Consent Order. All such data, reports, and other documents shall be preserved by Respondent for a minimum of six years after the conclusion of all activities under this Consent Order. If the Department requests that some or all of these documents be preserved for a longer period of time, Respondent shall either comply with that request, deliver the documents to the Department, or permit the Department to copy the documents prior to destruction. Respondent shall notify the Department in writing at least six months prior to destroying any documents prepared pursuant to this Consent Order.

9.12. Government Liabilities: The State of California shall not be liable for injuries or damages to persons or property resulting from acts or omissions by Respondent or related parties specified in paragraph 12.3, in carrying out activities pursuant to this Consent Order, nor shall the State of California be held as a party to any contract entered into by Respondent or its agents in carrying out activities pursuant to this Consent Order.

9.13. Incorporation of Plans and Reports: All plans, schedules, and reports that require Department approval and are submitted by Respondent pursuant to this Consent Order are incorporated in this Consent Order upon approval by the Department.

9.14. Extension Requests: If Respondent is unable to perform any activity or submit any document within the time required under this Consent Order, the Respondent may, prior to expiration of the time, request an extension of time in writing. The extension request shall include a justification for the delay.

9.15. Extension Approvals: If the Department determines that good cause exists for an extension, it will grant the request and specify in writing a new compliance schedule.

PAYMENTS

10. Respondent shall pay to the Department a total sum of twelve thousand five hundred dollars (\$12,500) of which ten thousand five hundred dollars (\$10,500) is a penalty and two thousand dollars (\$2,000) reimburses the Department for costs. Within thirty (30) days of the effective date of this Consent Order, Respondent shall pay the Department six thousand two hundred fifty dollars (\$6,250). Respondent shall pay the remainder of the total sum, six thousand two hundred fifty dollars (\$6,250) to the Department within one hundred eighty (180) days from the effective date of this Consent Order.
